life category quick sheet

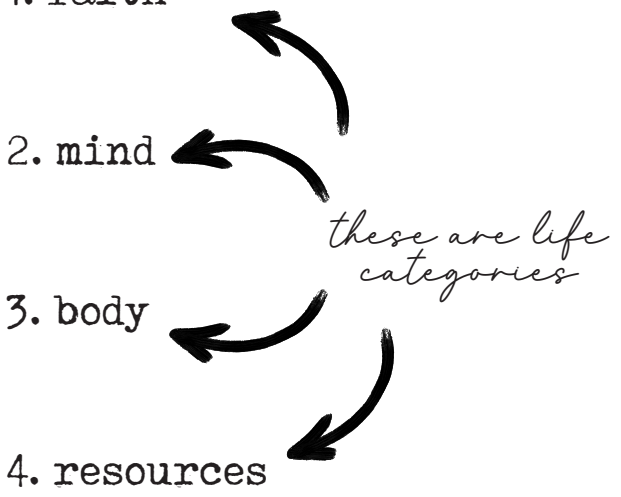

Here is an example of a set of life quadrants and life categories that work for our homeschooling family. Consider which of these make sense for you and what ones you don't need. Add any extra categories that fit for your life. Use the following page to create your own custom life category quick sheet.

personal

1. faith
2. mind
3. body
4. resources

family

5. marriage
6. family
7. homeschool
8. recreation

world — *these are life quadrants* — stewardship

world

13. work
14. social
15. giving
16. legacy

stewardship

9. home
10. meals
11. economy
12. ready for anything

life category quick sheet

Input your life categories below. Consider color coding each quadrant or category. You can also take some time to think about what different areas of life fit into each category and make note of those. Have fun brainstorming all the different ways you can use life categories to organize different parts of your life!

personal

1. _____
2. _____
3. _____
4. _____

family

5. _____
6. _____
7. _____
8. _____

world

13. _____
14. _____
15. _____
16. _____

stewardship

9. _____
10. _____
11. _____
12. _____
